

Virginia Pass-Through Entity Tax Payment Voucher

Pass-through entity tax payments may be made electronically. Visit the Department's website at www.tax.virginia.gov for additional information and to make a payment.

How to Make Tax Payments Electronically

The Department provides two secure online options for submitting withholding payments: **eForms** and **Business iFile**. Payments are made by Debit EFT and you may schedule your payment for a future date.

A pass-through entity may also make its estimated tax payments using an ACH Credit transaction through its bank. Some banks may charge a fee for this service. An Electronic Payment Guide is available at www.tax.virginia.gov with information on how to submit ACH Credit payments to the Department.

Purpose of Form

Use Form 502V to pay withholding tax, penalties and interest when payment is made with Form 502. Form 502V should only be used when sending a payment with the return.

When to File

The withholding tax payment is due on the due date of the pass-through entity's return regardless of whether the extension to file Form 502 is used. For calendar year filers, the withholding tax payment is due on April 15 following the close of the pass-through entity's taxable year.

Where to File

Preparation of Voucher

Complete the pass-through entity's federal employer identification number (FEIN), entity type, ending month and

year and name and address information. Enter the date and telephone number.

Compute the total income amount (including additions and subtractions) on all nonresident owners based on the best available information of their expected share of Virginia source income for 2013. Multiply the total income amount by 5% to determine the withholding tax due. Apply any tax credits available to the nonresident owners' withholding tax. The remaining amount of withholding tax is the amount due with the return. If the return is filed after the due date, complete Page 2 of Form 502 to calculate any penalty and interest due with the return.

Penalties

Extension Penalty - The pass-through entity must pay at least 90% of the withholding tax due by the return due date to avoid a penalty. If the return is filed within the 6-month extension and less than 90% of the tax was paid by the original return due date, then the pass-through entity owes an extension penalty. The penalty is 2% per month of the tax due with the return from the filing due date through the date of payment, up to a maximum of 12%.

Late Filing Penalty - If the return is filed after the extended due date, the extension is not valid, and the entity is subject to the late filing penalty of 30% of the tax due or \$1,200, whichever is greater.

Late Payment Penalty - If the return is filed within the extended period and full payment is not included with the return, the entity is subject to the late payment penalty of 6% per month from the date the return is filed through the date of payment, up to a maximum of 30%.

Interest

Interest is due on any unpaid tax at the underpayment rate under Internal Revenue Code § 6621, plus 2%, from the due date until the tax is paid.
