

Corn Assessment Return Instructions

General A Virginia Corn Assessment is levied on corn produced in Virginia for sale. The handler (defined as a processor, dealer, shipper, country buyer or exporter who purchases corn from farmers, a farmer who sells his/her corn out of state, or any person acquiring property in corn from a producer, when the actual or constructive possession of such corn is taken as part payment or in satisfaction of such claim) is responsible for payment of the assessment. The assessment must be deducted by handlers from payments to farmers for corn purchased.

Filing Procedure: Handlers must file the Corn Assessment and the tax paid by the handler with the Virginia Department of Taxation on or before the last day of the month following the end of each quarter. Quarters end March 31, June 30, September 30, and December 31.
