General Instructions

Beginning with the July 2017 Form ST-7, due August 20, 2017, all Form ST-7 filers are required to file and pay electronically at www.tax.virginia.gov.

This form is for use by businesses, including partnerships and sole proprietorships. Individuals not operating a business should file an annual consumer's use tax return, Form CU-7.

The use tax applies to the use, consumption or storage of tangible personal property in Virginia when the Virginia sales or use tax was not paid at the time of purchase. The use tax is computed on the cost price of the property, which is the total amount for which the property was purchased, including any services that are a part of the purchase, valued in money or otherwise, and includes any amount for which credit is given the purchaser or lessee by the seller. One-half of the charge for maintenance contracts that provide for both parts and labor is exempt.

File Form ST-6B only if the Local Use Tax reported on Form ST-7 is due to more than one locality. When this occurs enter "See Attached" in the box labeled "City or County of Use or Consumption" at the top of Form ST-7. If you are required to file Form ST-6B and reported use, consumption or storage of tangible personal property in any of the localities within the Northern Virginia and Hampton Roads Regions, you must complete Form ST-6R as well and file it with your return. See the ST-7A Worksheet for more information. File Form ST-7V with your payment. Retain the ST-7A Worksheet, for your records.
